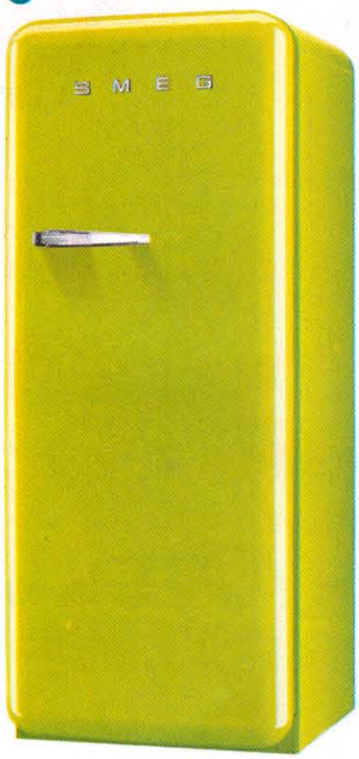
Red Hot

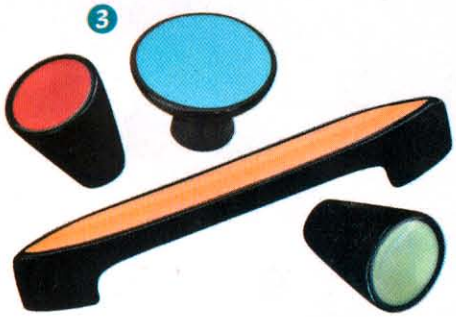
The kitchen is the heart of the home. Match its pulse with the vibrancy of this classic primary color.

A BOLD RED ENERGIZES your style and spirit, but figuring out what to pair with the hot hue can be a challenge. Here, we've dissected two kitchen color schemes—and added a few bonus idea starters —so you can see what other colors are needed to balance bold or subtle uses of red.

WALLPAPER—York Wallcoverings, *yorkwall.com*.
TILE—Fireclay Tile, *fireclaytile.com*.
HARDWARE—Atlas, *atlashomewares.com*.
VESSEL SINK—Xylem, *xviem.biz*.

WHAT'S BEAUTIFUL *Pop Art*





1. **Vibrant color on an industrial-inspired fixture creates an unexpected statement piece. Dome in Tahitian Teal with mount ($168).** Troy RLM Lighting; *troyrlm.com*

2. **Step back in time with this charming vintage refrigerator that adds a bold splash of color to your kitchen. Retro Style Fridge in lime green ($1,999).** SMEG; *smegusa.com*

3. **Thick black outlines frame bright colors for an iconic update to cabinetry. Indochine knobs and pulls ($8–$12 each).** Atlas Homewares; *atlashomewares.com*

4. **Capture the colorful dot matrix of comic-style design. Dots Collection Toaster ($25).** Bella; *bellahousewares.com*

5. **Big style comes in small packages with these retro-inspired bath fixtures. Mimo Collection (starting at $3,100).** Laufen; *us.laufen.com*

6. **Fearless color works hard in this integrated sink and countertop. Lava Stone integrated sink/countertop ($2,800).** Pyrolave; *pyrolave.com*
