Diamond Spas Stainless Steel Contoured Soaking Bath.

The future of bathing is clear with Novellini's Transparent Cristal Glass Bathtub.

Hastings Tile and Bath Atmosfere Round Tub.

The Seated Safety Shower™ from Safety Tubs® comes with wide, contoured seating, a low 3" threshold and a built-in wrap-around grab bar.

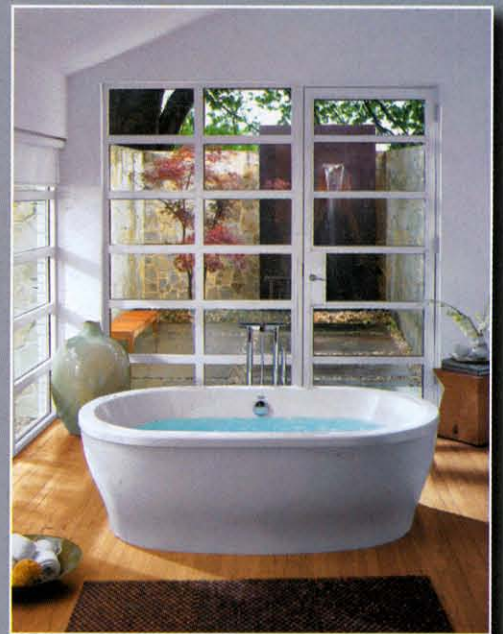

Jason International, Inc., a leading manufacturer of hydrotherapy bath products, introduces five new pedestal bath designs in their forma® Collection of minimalist baths.

Diamond Spas specializes in custom fabrication of stainless steel and copper aquatic vessels. Shown: Atocha Copper Tub

Herbeau Bathroom Couture® Marie Louise Cast Iron Slipper Tub. Shown with: Royale exposed tub and shower mixer and free Standing adduction pipes.

The new forma® Collection pedestal baths from Jason International, Inc. are appealingly minimalist with a delicately pronounced curved base giving the baths a sculptural aesthetic.

A slipper tub for the 21st century—Victoria & Albert's Amalfi tub with Turbo filler.

*Victoria & Albert volcanic limestone baths.
Shown: Marlborough Tub.*

The new generation of countertops by ThinkGlass.

(Right) The Aqua Collection from Top Knobs is a contemporary design with soft, water-inspired waves that make a luxurious splash in any bathroom.

(Above) Herbeau Bathroom Couture® unique Les Demoiselles™ Cubist Wall Brackets support the basin. Shown with Monarque mirror, Monarque wall lights and Royale shelf, all shown in Brushed Nickel.

Lasertron lighted glass door cabinets.

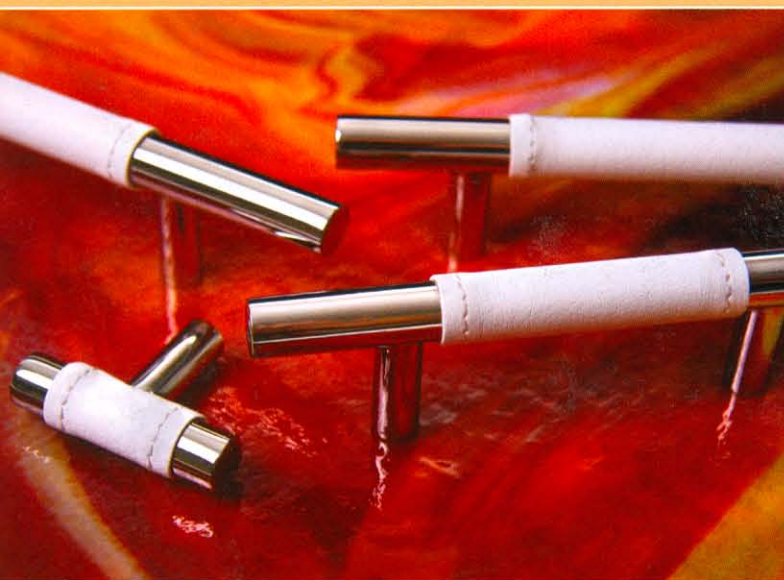

(Right) Great Grabz ADA compliant bathroom.

Top Knobs new contemporary satin finish for the Traditional Tuscany Collection.

Motif Collection from Soko.

Atlas white leather Zanzibar cabinet pulls.

Colonial Bronze in partnership with Edelman Leather, have created The Tanner's Craft™ fine hand made leather accessories.

Topex Swarovski Crystal All That Glitters collection.

Unique "Morphic" stainless steel hardware created by Martin Pierce. Shown: toilet roll holder, towel rail and cabinet pull. Photography: Ted Morisson.

ThinkGlass island top. Kitchen design by Dybdahl's Classic Kitchens.

Local fabricators can create custom concrete countertops.

(Below) Richlite has produced environmentally friendly paper-composite surfaces for more than 50 years. Shown: Country Farmhouse countertops, island top and integrated drain board. Color: Nutmeg. Photo Credit: Doug Ogle

Andros glass island top from ThinkGlass.

(Left) Stainless concrete countertop with integrated drain board from J. Aaron.

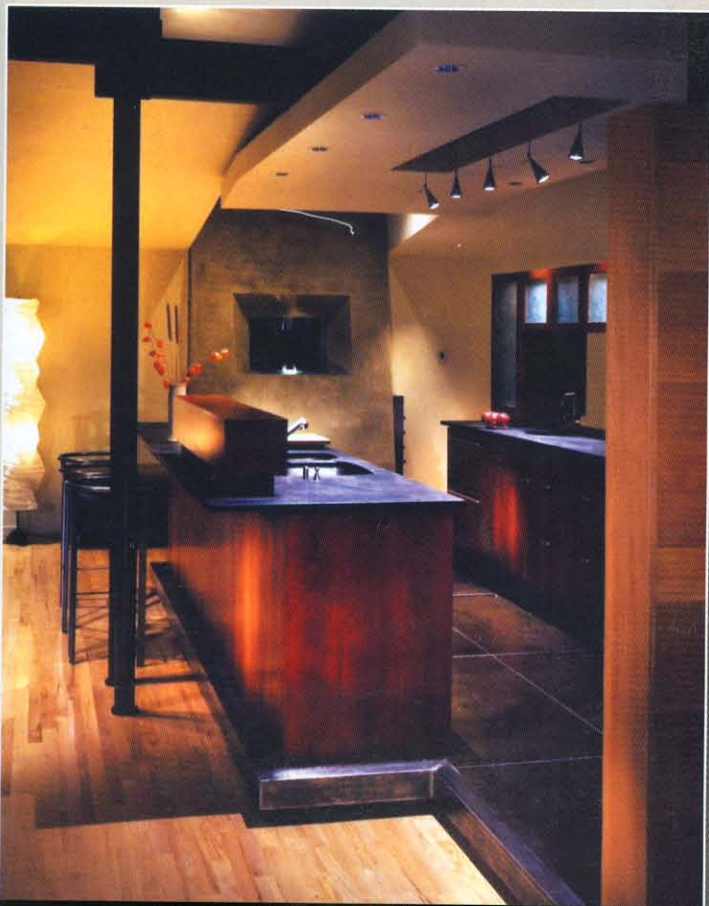

(Above) J. Aaron makes every countertop one at a time working directly with designers to achieve one-of-a-kind results.

Laufen Murano Beige porcelain tile from the Titanium Collection.

(Below) Asian Influence from Richlite. Color: Slate Black. All Richlite materials are made either with FSC-Certified or post consumer recycled paper and products are GREENGUARD certified for indoor use. **Photo Credit:** SkB Architects.

Mediterranea seaside nostalgic Sandal Wood collection of glazed porcelain tiles.

Herbeau Bathroom Couture® Loire hammered oval bowl with Dixmude wall mounted faucet in polished nickel.

*A recent trend in high-end bathroom design is reflected in the new stone, copper and wood vessel sink product lines offered by Eden Bath. **Shown:** Zen vessel.*

PSC Bath Sevilla glazed hand-painted fireclay washbasins and matching fittings flawless in material, aesthetic and performance.

Victoria & Albert's Amalfi basins with Tubo faucets.

Herbeau Bathroom Couture® Berain Rose handpainted vitreous china vessel bowl.

Lasertron textured metal and glass doors for kitchen, bar, bathroom, and outdoor installations.

Wood-Mode's Vanguard Plus cabinets in caramelized bamboo, stainless steel & Zodiac countertops, glass backsplash & hood, ceramic tile floor define the popular minimalist approach to living.

Siberia Blend from GlassTileStore.com features a mix of iridescent and matte finish glass tile from Hakatai.

(Above) Raw natural beauty from American Slate.

(Left) Cikel America has launched a beautiful collection of Copaiba/Brazilian Pecan exotic engineered hardwood flooring with the Vitoria collection.

Wawirka sculptured bronze Ginkgo Vessels.

Ice Blue Fusion from Bear Creek Glass.

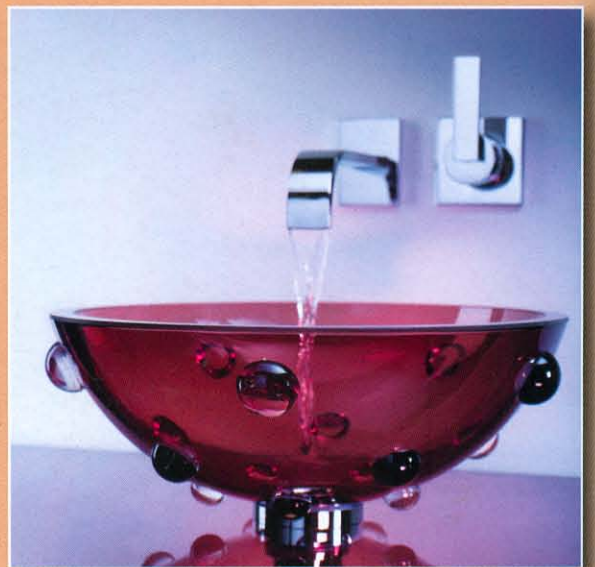

Lenova's Glass Vessels bring beauty to the bath and are tempered for strength.

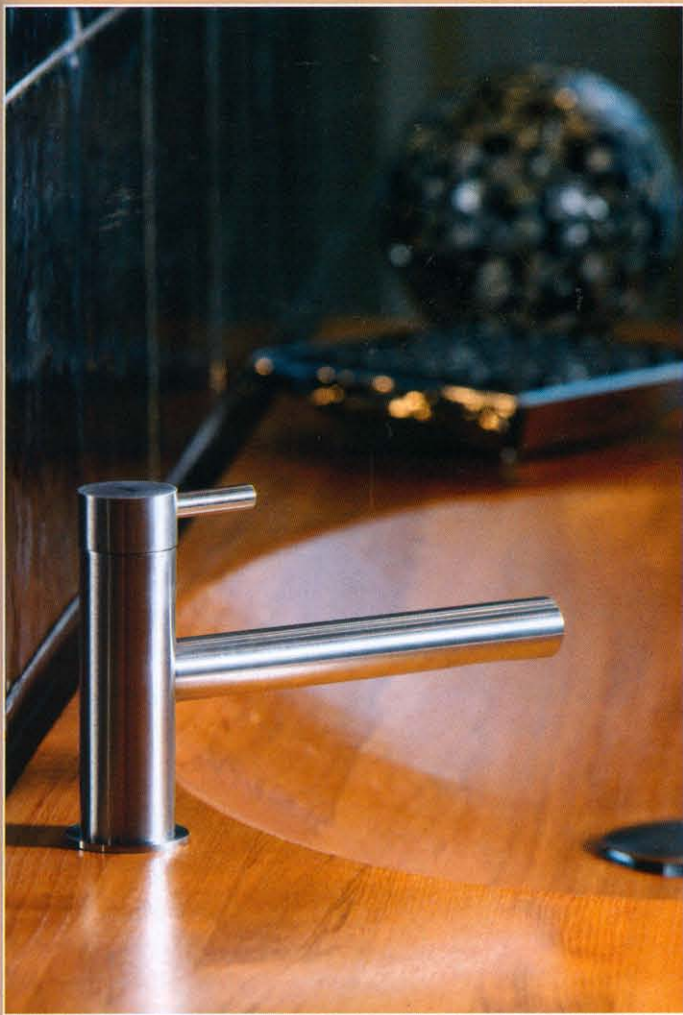

Toto's Luminist vessels brighten the bath with integrated LED lighting system.

Lenova's sensual Copper Bath Collection. Made of the highest quality copper, lead and mercury free, naturally hypoallergenic, recyclable and corrosion resistant.

Vitraform's Amethyst polished glass freestanding basin with Perla droplets.

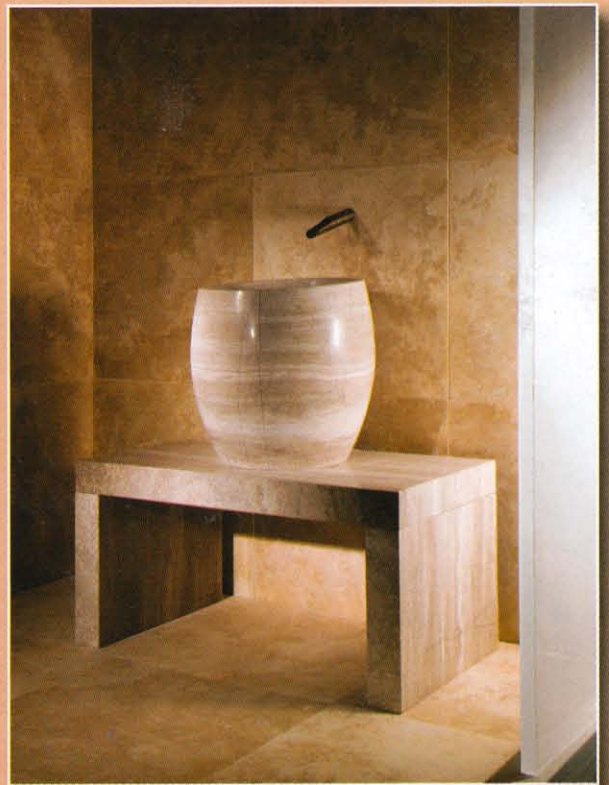

MGS stainless steel faucets for lav, shower and tub.

MGS has developed a stylized collection of fixtures and accessories for the bath that are simple in design, sophisticated in style and highly innovative in functionality.

Sustainable and stylish—Lenova Bamboo Sinks.

Stone Forest's new Siena Collection made of Silver-grey Italian marble. A Tamburo vessel sits atop the Banco bench.
