

The Hottest Trends Roll into Vegas

TREND #1

EXOTIC WOOD BASINS

See a spectacular collection of artfully handcrafted pedestals and basins in brave shapes, space saving designs and unique materials!

Adagio Booth #7201

TREND #2

IT'S HIP TO BE SQUARE

Today's ultra hip designs in decorative hardware are squared off for style. Fully embodying this craze is Atlas' newest line-up of knobs and pulls from their Successi Collection. Atlas...because style matters.

Atlas Homewares Booth #6927

TREND #3

RADIANT HEAT IN THE BATH FOR MAXIMUM THERAPY

See Radiance™ - MTI is integrating radiant heat technology into their freestanding tubs and shower bases to provide

an even distribution of warmth. This is an industry first and one that is sure to change the way we look at bathing in the future.

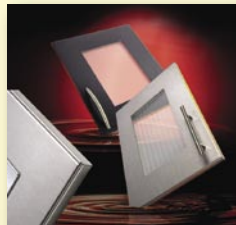

MTI Whirlpools Booth #5986

TREND #4

TEXTURES ARE HOT

Don't settle for plain old stainless steel cabinet doors. Lasertron is previewing an entire line of stainless textured doors that can take a mundane kitchen and bring it to high style - for indoors and out!

Lasertron Booth #2267

TREND #9

FIVE STAR AMENITIES

It's no surprise that Baci makes our list of top trends. Consumers are longing to pamper themselves with lush hotel amenities like advanced makeup mirrors with optical clarity! You'll look better in a Baci Mirror.

Baci by Remcraft Booth #4429

TREND #5

CONCEALED TECHNOLOGY

Magic mirror on the wall. The fairest one of all is Seura's new TV mirror which answers consumer demand for elegance, technology and function. An LCD TV when you want it – a finely-crafted mirror when you don't!
