Shining Spun

The spun-copper pendant collection is a fresh perspective on industrial-inspired lighting from a company known for its gaslight fixtures. Designs range in price from \$200 for Bullet to \$425 to \$525 for Warehouse District. From Bevolo Gas & Electric Lights, (504) 522-9485, bevolo.com

Swimming in Place

Clever 4" x 8" whole and divided fish tile swim through a centerpiece with 4" x 4" tile inspired by lotus pods and rippling water. They're shown in proprietary glazes including Greyfire and Burnished Copper. The price is \$774.12. From Terra Firma, (803) 643-9399, terrafirmaarttile.com

Crystal Colors

These cut-crystal knobs were recently introduced in four spectacular colors: emerald green, cobalt, pink, and black. All can be matched with Arts & Crafts-friendly plates and rosettes in passage, privacy, or mortise sets. Most sets retail for \$125 or \$175. From Nostalgic Warehouse, (800) 522-7336, nostalgicwarehouse.com

Ode to a Park

Julie Leidel's "Delicate Arch" print from her digital artwork series is available as a giclee print or as a larger art canvas print, with or without a quarter-sawn oak frame. Matted prints are \$29 to \$79, canvas prints \$99 to \$349. From The Bungalow Craft, (303) 263-8577, thebungalowcraft.com
